Stumperies

I do enjoy looking around National Trust gardens like the one at Sizergh Castle, near Kendal. Look closely in one corner and you'll find the stumpery. Stumperies were very popular in Victorian England and were similar to rockeries. Whereas a rockery is a garden built around rocks, as the name suggests a stumpery is built around old stumps and dead wood. Out of the stumps, plants like ferns, mosses and lichens were growing, as well as being the homes for all sorts of insects and other wildlife. My grandchildren were amazed and delighted to find some beetles crawling along one old log.

It's also interesting that on many woodland estates managed by the National Trust (like at Acorn Bank), dead wood, fallen tree trunks and branches, are not cleared away and put onto the bonfire for particulates to add to the pollution of the atmosphere. Instead, piles of dead wood are strategically arranged so that insects, fungi and other wildlife, flora and fauna can make their home there.

New life springs up where there only seemed to be death, rot, and decay. Even when everything seems to have died, in fact new life is springing up. Life overcomes death.

To me, this is the central message of the Easter story - and indeed the Christian faith. When Jesus was crucified, it seemed that death had the victory. But, three days later he rose from the tomb. Death defeated. Light, love and life ultimately triumph over the darkness, hatred and decay!

Have a wonderful, hope-filled Easter!

**GAMBLESBY ART GROUP
ANNUAL SPRING EXHIBITION 2025
Saturday 26th and Sunday 27th April
11:00am to 4:00pm**

The members of Gamblesby Art Group will be exhibiting their work at Gamblesby Community Centre, on the 26th and 27th April. This is a small group of local artists, most of whom will be at the exhibition to welcome you over the weekend.

The usual wide and diverse range of subjects, styles and media will be on display, all available to purchase at extremely reasonable prices.

Of course, no trip to Gamblesby would be complete without tea and cakes, on offer throughout the weekend and all homemade and delicious!

Entrance to the exhibition is free, and we look forward to welcoming our many regular visitors, as well as those coming to have a look for the first time..

CULGAITH WALK & TALK Active Cumbria's Wellbeing Walks

Culgaith Tarn Is Having A Wildflower Planting Day Sat 26th April at 10:00am

We have over 1000 plants to plant so please come along & help if you can!

Over the past few years we have been fundraising to replenish the wildflowers on the tarn & thanks to your amazing support we are now ready for planting! If you have the day or a few hours spare we'd be very grateful for your help.

We offer a warm welcome, great chat, a positive buzz from knowing you've helped in your community & time outside in a beautiful wildlife reserve (hopefully in the sunshine!).

You will need a little energy & enthusiasm, trowel, kneeler & any refreshments you might want.

Culgaith Village Tarn's PLANTFEST IS BACK!

Featuring the infamous plant bring and buy, stalls from local nurseries and artists, ask the experts, raffle, and new for this year, coffee and cake!

Bring along your spare seedlings, surplus plants and house plants and grab yourself a bargain.

We need your plants, you need ours!

Saturday the 17th of May,
10.00am until Noon (Indoors if wet!)

Hartside First Responders

Hartside First Responders Team began in Gamblesby but since going live in 2011 has spread south along the fellside and west as far as the Eden. When we delivered some defibrillator training in Culgaith last year we discovered that the villages of Skirwith, Kirkland and Culgaith were orphans as they didn't fall within the area of a First Responder Team and we spoke to the ambulance service (NWS) who agreed we could adopt them. In the Memo area if you call an ambulance and a First Responder attends it is most likely they will be a member of our team.

One of our number, Ian, is a qualified trainer and we will again be offering visits to your village halls and your WIs to provide training on steps you can take if you have a medical emergency – watch out for further details in this and future editions of the Memo.

First Responders are trained by NWS and called out on the more serious categories of a medical emergency. We know what to do in the event of a cardiac arrest; we can supply oxygen and take observations (blood pressure, temperature etc) and help you pass those anxious minutes before the ambulance arrives, upgrading the call if we can see that the patient is deteriorating. You will know the importance of speed when it comes to dealing with cardiac arrest which is why we have public access defibrillators in many of our villages.

We can help people quickest if we live near where you live. At the moment we are quite thinly spread with Responders mainly in Ousby, Melmerby and Gamblesby. We would be delighted to welcome anyone from your village to join the team.

If you want to find out more please talk to me – or come to our AGM at Melmerby Village Hall on Monday 14th April at 7.30 pm.
